## EXPERIENCE

**WSMV4 Graphic Artist, 2022**

Including News, Promotions, Sales, and Engineering, I am solely responsible for all graphics for WSMV4 News. From social media posts, on-air monitors, graphics for print, animating reporter's stories, and so much more- I manage the brand identity of the entire station, as well as creating new brand identities when needed. With new requests and challenges every day, the high-intensity work environment coupled with quick turnarounds have made me adaptable to any situation and in turn a more efficient designer.

**Delta + SCADpro Motion Designer, 2021**

My creative team concepted and produced a mobile videogame for Delta Airline employees. I was part of both the Branding and Modelling teams where I worked on concept development, 3D assets, style guides, and motion graphics.

**Soccer Coach, 2015-2019**

Ranging from 3-18 years old, I have taught hundreds young athletes the fundamentals of soccer through club and school teams. This experience has improved my team building, leadership, and problem solving skills.
